Conference call from Erik on the Quarterly.

1st: the paperwork and monies are a mess (cluster...). As it was originally placed in David L's name, all the paper work and return addresses reflect his name. Erick has had the old contract with M-F voided and a new one to replace it in District 9's name and PO Box. He will have ice cream bars for the Ice Cream Social Friday night. He needs workers for the setup and clean up, coffee, snack bar, and registration.

Linda has taken notes for minutes and informed us that according to GSO, no minutes are official until they are read and approved at the next meeting, otherwise misinformation will be conveyed.. Therefore we have been doing it wrong since District 9 became District 9 in 1996. GSR's should take their own notes and take them to their group's business meetings. So those of you who miss a meeting are on your own, I guess. This is the reason that I am writing up an unofficial set of minutes, and I am sure that I am spreading misinformation someone will correct me.

YIS,

Gene
